44	Bull	Black Angus	ACM2035	We are starting the bulls with one of the best. Milagro Thoroughbred is as good as it gets. He is a son of Pathfinder and Milagro Black Pride 1232. His grand dam is Woodview Black Pride 7471, the cow that put Milagro Angus on the map back in 2013. His dam was Reserve National Grand Champion in 2017 and his grand dam was National Grand Champion in 2013. He is a must use stud sire!
45	Bull	Black Angus	ACM1974	Milagro Sugar won his class at the recent National Championships. He carries loads of beef and is an easy to use bull.
46	Bull	Black Angus	ACM2001	Tequila is one of the thickest, stoutest bulls bred on Milagro. His growth figures support his physical appearance. He has an interesting pedigree being a Pathfinder out of a Bruiser and will be an asset to any herd.
47	Bull	Black Angus	ACM1936	Milagro Sergio is the current nationals Res. Grand Champion and Senior Champion black Angus bull. He is the son of Milagro Quebec, who won the Gold Cup at the Royal show in 2019. His grand dam has an ICP of 354 days over 14 calves. Sergio is pure class
48	Bull	Black Angus	ACM2053	Thor will breed females that will be very appealing to the eye. He is the son of the famous PVF Insight. He is out of the heart of the Power female line. His grand dam was the nationals reserve grand champion in 2019 and his great grand dam was the National Grand Champion Black Angus female in 2017.
49	Bull	Black Angus	ACM2069	Toronto is another one of the stand out bulls. He has eye appeal and is moderate framed and easy fleshing. He has an exceptional set of figures. His sire is SAV Harvestoer and his dam is the famous Woodview Black Pride. He will be an asset to any stud herd.
50	Bull	Black Angus	ACM2029	Milagro Tubby is another bull that should be on the shortlist of every breeder. This son of Easy Decision has outstanding growth figures and being out of Black Pride cow line, he will breed outstanding progeny. Do not miss him.
51	Bull	Red Angus	ACM2052	We start the red bulls with Tennessee. He is a son of Domain out of VL1329, a Vredenheim cow who has been an exceptional brood cow for us. Tennessee is long, wide and deep and carries an exceptional amount of beef. He has a rock solid set of figures and will attract the attention of Red Angus enthusiasts.
52	Bull	Red Angus	ACM2047	Terminator is the combination of Roechama Elegance and Milagro Elle 1210. They were the Red Angus National Champion male and female in 2019. He is a deep solid easy fleshing bull.
53	Bull	Red Angus	ACM2028	Twitch is a son of Red DKF Razor and has a good set of growth figures. He is an eye catching bull and will be easy to use.
54	Bull	Red Angus	ACM2038	Trinidad is a Milagro Porsche son out of Milagro Penny 1111. Penny has just calved for the 9th time and is one of our reliable brood cows.
55	Bull	Red Angus	ACM2057	Torque is a hard muscled, masculine bull. He is a son of PTO out of a highly fertile Mulberry cow who has just had her 10th calf with an ICP of 367 days.
56	Bull	Red Angus	ACM2111	Uruguay is a young bull who is sired by Bullseye. He is the ideal choice for the commercial breeder.
57	Bull	Red Angus	ACM2118	Ultra is another young Bullseye son out of the Penny family. He will breed great, long lasting females.
58	Bull	Red Angus	RHP210214	A solid, thick bull that will do his new owner proud.
59	Bull	Red Angus	RHP210218	A young bull with tremendous potential that will add value to any herd.
60	Bull	Black Angus	ACM2027	Trophy is a Quebec son out of a red Cow family. He is an obvious choice for use on heifers and will be a good choice to add beef into dairy herds.
61	Bull	Black Angus	ACM2025	Trooper is an Easy Decision son out of the Black Pride family. His growth figures are outstanding and will be a good choice to use in any environment
62	Bull	Black Angus	ACM2066	Sired by Milagro Reflex, a Soo Line Locomotive son and his dam is the daughter of Woodview Black Pride. Tuscany is good choice for allround use. His figures are impressive!
63	Bull	Black Angus	ACM2101	Utah is a young bull with outstanding figures. He is a Milagro Rolex son and Rolex is a International 2020 son out of the Black Pride family line. Utah's dam and grand dam had 18 calves between them. This young bull has tremendous potential.
64	Bull	Black Angus	ACM2105	Ukraine has outstanding milk and growth figures and will be a reliable herd bull. He is another Milagro Rolex son. True to his name, he will stand his ground.

65	Bull	Black Angus	ACM2107	Ugie is another young son of Milagro Rolex and back by a highly fertile cow family. He is a young bull with potential.
66	Bull	Black Angus	ACM2070	Toulouse is a son of SAC Conversation out of the Power family. He will not let you down.
67	Bull	Simmentaler	ACM2017	Trigger is a very correct eye catching bull. He has very good length and width and is full of nautral muscle. On his dam side he is out of the Mandy family with his grand dam being Mandy 1124, as part Simmentaler Super cow of the year. Use Trigger with confidence in your herd.
68	Bull	Simmentaler	ACM2020	Top Gun is also out of the Mandy family and sire by Milagro Peru. His grna dam is Blenheim 0213, the foundation cow of the Mandy family. Top Gun is moderate framed, long and deep. He is the ideal bull to use in rugged extensive conditions.
69	Bull	Simmentaler	ACM1962	Stellar is an easy fleshing, deep sided bull and can ben used with confidence on heifers. His dam Minette 1640, has been a successful show cow and is also the dam of Milagro Seattle, the current herd sire at Milagro.
70	Bull	Simmentaler	ACM2006	Timm is a rugged no nonsense bull and can be used with confidence on heifers. He is ideal to use for cross breeding in the other red breeds.
