SIMBRA Auction Rules

Inleiding/Introduction

Die doel met die veilingsreëls is om so ver as moontlik te verseker dat alle Simbras wat per veiling aangebied word steeds voldoen (al was hulle voorheen gekeur) aan die rasstandaarde en 'n aanvaarbare kriteria wat betref vrugbaarheid en/of reproduksie asook sekere gesondheidsvereistes, en is van toepassing op alle openbare-/aanlyn-/katalogusveilings. Alle Simbras so verkoop se verkoop vind dus plaas onderhewig aan die reëls van die genootskap. Geregistreerde Simbras wat nie aan die reëls voldoen nie, mag nie per veiling te koop aangebied word nie.

Daar is drie kategorieë in 'n amptelike Simbra veilingskatalogus:

- A) **Geregistreerd:** Geregistreerde bulle (met S-brand op linker skouer), en geregistreerde vroulike diere en kalfboek diere onder 12 maande of sogende kalwers.

Dit is die verkopers se verantwoordelikheid om seker te maak dat alle inligting van verkoopsdiere is volledig angebring op die stelsel. Inligting van veilings diere, lot nommers en kommentaar moet die kantoor minstens 6 weke voor die veilings datum bereik. Inligting moet ingedien word per e-pos in die voorgeskrewe format. Een proef katalogus sal opgestel word, wat alle uitstaande inligting sal aandui. Teler het 3 werksdae om regstellings en uitstaande inligting per e-pos aan die kantoor te stuur. Tweede proef sal voorgestel word vir goedkeuring deur verkoper waarna katalogus gefinaliseer sal word.

The purpose of the auction rules is to ensure as far as possible that all Simbras that are offered at auctions still meet (even if they were previously inspected) the breed standards and an acceptable criteria in terms of fertility and/or reproduction as well as certain health requirements, and applies to all public/online/catalog auctions. All Simbras so sold therefore take place subject to the rules of the society. Registered Simbras that do not comply with the rules may not be offered for sale on auction.

There are three sections in an official Simbra auction catalog:

- A) **Registered:** Register bulls (with S brand on left shoulder), and registered females, and calfbook animals under 12 months or suckling calves.
- B) **Cum Heifers:** Heifers that have already been recorded as Cum animals in the Simbra herdbook system
- C) **Commercial Heifers:** Simbra type females that are phenotypically of such quality that they can be considered as Cum animals.

It is the sellers' responsibility to make sure that all information of sale animals is fully integrated into the system. Information from auction animals, lot numbers and comments must reach the office at least 6 weeks prior to the auction date. Information must be submitted by e-mail in the prescribed format. One trial catalogue will be drawn up, which will indicate all outstanding information. Breeder has 3 business days to email corrections and outstanding information to the office. Second trial will be proposed for seller approval after which catalogue will be finalized.

Seller's remarks / Verkoper se kommentaar:

Uitstaande Digger vers. Dragtig (7 maande) van HotAshHell BE19105. Genotipering van die bull is afgehandel en die vaderskap van die vers bevestig. Die moer het 'n bewese kalwings rekord van 5 kalwers sonder om 'n jaar oor te slaan en die eerste drie is reeds gekeur. Inlyn met ons teeldoelwit bevestig haar EBV's dat sy 'n kurwe knakker is. Kom uit 'n strawwe rooiwater en suurveld omgewing.

RULES OF AUCTION

in respect of sales by Vleissentraal Bethlehem (Pty) Ltd (Reg No. 1999/023915/07) of 98 Cambridge Road, Bethlehem, 9700. Tel: 058 303 5226 / E-mail: bethlehem@vleissentraal.co.za Fax: 058 303 2157. (As Auction House hereinafter referred to as the "Auctioneer" and the person conducting the auction referred to as the "auctioneer")

1. The Sale by auction is subject to a reserve price, unless specifically stated to the contrary by the auctioneer.
2. The seller (owner) and/or his agent and the auctioneer may bid up to the reserve price of the owner (seller), but shall not be entitled to make a bid equal to or exceeding the reserve price.
3. These Rules Of Auction comply with Section 45 of the Act and the Regulations of the Act and Section 45 of the Consumer Protection Act, Act 68 of 2008 ("the Act") read as follows:
"Auctions":
 - 45.(1) In this section, "auction" includes a sale in execution of or pursuant to a court order, to the extent that the order contemplates that the sale is to be conducted by an auction.
 - (2) When goods are put up for sale by auction in lots, each lot is, unless there is evidence to the contrary, regarded to be the subject of a separate transaction.
 - (3) A sale by auction is complete when the auctioneer announces its completion by the fall of the hammer, or in any other customary manner, and until that announcement is made, a bid may be retracted.
 - (4) Notice must be given in advance that a sale by auction is subject to –
 - (a) a reserve or upset price; or
 - (b) a right to bid by or on behalf of the owner or auctioneer, in which case the owner or auctioneer, or any other person on behalf of the owner or auctioneer, as the case may be, may bid at the auction.
 - (5) Unless notice is given in advance that a sale by auction is subject to a right to bid by or on behalf of the owner or auctioneer –
 - (a) the owner or auctioneer must not bid or employ any person to bid at the sale;
 - (b) the auctioneer must not knowingly accept any bid from a person contemplated in paragraph (a); and
 - (c) the consumer may approach a court to declare the transaction fraudulent, if this subsection has been violated.
 - (6) The Minister may prescribe requirements to be complied with by an auctioneer, or different categories of auctioneer, in respect of –
 - (a) the conduct of an auction;
 - (b) the records to be maintained with respect to property placed for auction; and
 - (c) the sale of any property by auction.
 4. The auctioneer will during the auction announce the reason for the auction unless the reason is the normal and voluntary disposal by the owner.
 5. The auction will commence at the published time and will not be delayed to allow any specific person or more persons to take part in the auction.
 6. All goods and livestock (hereinafter referred to as the "assets") are sold by the Auctioneer as agent on behalf of the Seller, who hereby authorizes the Auctioneer to collect the purchase price from the Buyer and the seller do hereby cedes to the Auctioneer all the seller's rights, title and interest in and to its claim for payment of the purchase price against the purchaser which session the Auctioneer do hereby accepts.
 7. The purchase price excludes VAT and VAT must be added to the purchase price and paid by the Buyer, unless specifically stipulated otherwise by the auctioneer.
 8. All assets shall, immediately after the bid has been knocked down and accepted by the Seller, be deemed to have been delivered to the Buyer. Notwithstanding delivery, the Buyer shall not be entitled to remove any purchased assets unless the total amount reflected on the Auctioneer's invoice in respect of such assets has been paid in full.
 9. Notwithstanding delivery, ownership of the purchased assets will not pass to the Buyer until the full purchase price plus interest, if any, is paid.
 10. Subject to any reserve placed on any of the assets by the Seller, and the provisions of clause 11 and 12 below, the Buyer at any sale shall be the highest bidder indicated by the auctioneer by the fall of the hammer or by such other means as he or she may select.
 11. The auction shall take place under the exclusive control of the auctioneer. The auctioneer reserves the right, in its sole discretion, to refuse the bid of any person, to regulate the bidding and to indicate the highest bidder. If the auctioneer suspects that a bidder has not made a bona fide bid, or is unable to pay the purchase price or has not made satisfactory arrangements for payment of the purchase price, he may refuse to accept the bid of such bidder or accept it provisionally until the bidder has satisfied him that he is in position to pay the purchase price or that he has made satisfactory arrangements for payment thereof. On refusal of a bid under such circumstances the assets may immediately be re-auctioned.
 12. In the event of a dispute arising amongst the bidders and/or the Auctioneer, the assets in dispute shall, at the sole discretion of the auctioneer, be re-auctioned.
 13. Any error by the auctioneer shall be entitled to be corrected by him or her upon discovery.
 14. All profit, loss or risk in the assets will pass to the Buyer once it has been delivered to the Buyer who shall at this own risk and expense remove it from the sale venue, subject to 8 above. The Buyer shall be responsible for all costs incurred by either the Seller or the Auctioneer until actual removal of the assets.
 15. Should any contractor remove any assets from the sale venue on instruction of the Auctioneer, on behalf of the Buyer, the contractor will be deemed to be the contractor of the Buyer who accepts all costs and risks connected with such removal.
 16. The Seller warrants that there are no encumbrances on such assets, that the said assets are the property of the Seller, and that the Seller is competent and legally entitled to dispose of the assets. The Seller further warrants as against the Buyer that the assets are free of any patent or latent defects.
 17. The Seller, who offers the assets for sale, accepts all liability regarding the information furnished as to pedigrees, ages, dates of service, state of health or gestation or any other particulars which might be incorrect. In the event of any dispute the Buyer shall only have a claim against the Seller and not against the Auctioneer.
 18. The Seller warrants as against the Auctioneer that the assets are free of patent and latent defects and that any right or claim ceded to the Auctioneer in terms of these Rules Of Auction is free of any defect or right of deduction or set-off, and that the said right or claim is fully and immediately enforceable against the Buyer.
 19. The Buyer shall, prior to the sale, ascertain whether there are any defects in the assets and any bid by a Buyer shall be considered as acceptance of the assets with any patent or latent defects in their condition at the time of sale.
 20. The Buyer shall not be entitled to withhold payment of the purchase price to the Auctioneer as a result of any possible or pending claim that he may have against the Seller on the grounds of misrepresentation or for any other reason whatsoever.
 21. The purchase price is payable by the Buyer to the Auctioneer in cash (to the discretion of the Auctioneer) or by bank-guaranteed cheque on the date of sale ("the payment date") unless other payment terms and or means are agreed between the Auctioneer and the Buyer. The Company reserves the right to refuse any method or means as payment.
 22. In the event that the Auctioneer agrees to facilitate the purchase of the assets by paying an amount equal to the purchase price to the Seller before the Buyer makes payment to the Auctioneer ("the Payment Terms Agreement"), then the following shall apply:

- 22.1 The election to make any payment to the Seller shall be in the sole and absolute discretion of the Auctioneer, which discretion may be exercised separately in regard to each transaction entered into by the Buyer.
- 22.2 Upon payment of the amount referred to in 10.1 above the Seller's right, title and interest in and to any claims and other rights as against the Buyer in terms of or connected with the sale of the assets shall forthwith be ceded and transferred to the Company which session the Auctioneer hereby accepts.
23. In the event of any Payment Terms Agreement between the Auctioneer and the Buyer, the following shall apply:
 - 23.1 No Payment Terms Agreement shall be valid unless reduced to writing and duly signed on behalf of the Auctioneer. The facilitation of any sale by the Auctioneer as referred to in this paragraph 10 shall be strictly subject to the terms and conditions of the Payment Terms Agreement.
 - 23.2 In the event of any conflict between the contents of this document and the Payment Terms Agreement, the provisions of the Payment Terms Agreement shall prevail.
 - 23.3 No application for credit as defined in section 8 of the National Credit Act, Act 34 of 2005, will be received or considered by the Auctioneer.
24. Anyone that intends to bid at the auction (Buyer) must register his or her identity on the bidder's record prior to the commencement of the auction and such registration must meet the requirements of the FICA (Financial Intelligence Centre Act, 2001) in respect of the establishment and verification of identity of the person and the person must sign the registration entry and the prospective Buyer must furnish the Auctioneer with a copy of his/her identity document and proof of residence.
25. Any person who purchases on behalf of a Principal (i.e. natural person) must furnish the Auctioneer with a written signed Power of Attorney, prior to the commencement of the auction, failing which he/she will be personally liable for payment of any purchases made by him/her. The person bidding on behalf of or signing any document on behalf of the purchaser pursuant to a successful bid hereby binds himself/herself personally as co-principal debtor with the Buyer for payment of the purchase price and personally guarantees all the obligations of the Buyer under this Rules Of Auction.
26.
